

WGFOA National Conference Scholarships Ehlers Scholarship

On behalf of Ehlers and Associates, Inc., WGFOA will award one scholarship equivalent to the conference registration fee annually to a WGFOA regular member to attend the annual GFOA national conference. Criteria for this award are:

- Applicant must submit an application for this scholarship to the WGFOA President no later than March 1. Application would consist of a letter or memo from the applicant identifying how the applicant meets the criteria for the scholarship.
- Applicant must be a regular member of WGFOA. Associate members are not eligible for this scholarship.
- Applicant must have attended at least one WGFOA conference in the last three years prior to the March 1 deadline.
- The applicant must register for the national conference if the applicant is awarded the scholarship.
- The applicant must not have received this scholarship previously.

At the spring WGFOA board meeting, the board will review all applications it has received to determine which applicants meet the necessary qualifications. At the spring WGFOA business meeting, the WGFOA President, or designee, will conduct a drawing of qualified applicants to determine the winner for the upcoming national conference registration fee. The President, or designee, may elect to draw a back-up name(s) in case the first winner does not attend the conference.

In the event no applications are received, the WGFOA President, or designee, will draw a name from a pool of eligible WGFOA members who have already registered for the conference.

Reimbursement will be made to the winner following the GFOA conference upon submission of an attendance report demonstrating attendance at a minimum of 75% of the CPE sessions offered.
