## Identifying the 8 Wastes

<p><b>Unused Human Talent</b> <i>Under-use of people's talents and skills</i></p>	
<p><b>Waiting Time</b> <i>People waiting for “stuff” to arrive</i></p>	
<p><b>Inventory</b> <i>“Stuff” waiting to be worked</i></p>	
<p><b>Transportation</b> <i>Moving people and “stuff”</i></p>	
<p><b>Defects</b> <i>“Stuff” that's not right and needs fixing</i></p>	
<p><b>Motion</b> <i>Unnecessary human movement</i></p>	
<p><b>Overproduction</b> <i>Too much “stuff” / “stuff” too early</i></p>	
<p><b>Processing Waste</b> <i>“Stuff” we have to do that doesn't add value to the “stuff” we are supposed to be producing</i></p>
