- Applicant must be an active WGFOA member who has paid his or her membership dues for current calendar year.
- Applicant must submit an application for this scholarship to the WGFOA President no later than March 1. Application would consist of a letter or memo from the applicant identifying how the applicant meets the criteria for the scholarship.

At the spring WGFOA board meeting, the board will review all applications it has received and determine whether or not the applicants meet the first two of the above criteria for the scholarship. Approval will be given at the spring board meeting contingent on the applicants meeting the last three criteria.

The scholarship will not be paid out until the applicant has met all the above criteria, including the report out component.
