

WGFOA Conference Scholarships Robert W Baird & Co Scholarship

Robert W Baird & Co (“Baird”) will offer one WGFOA scholarship for a free registration** to an upcoming conference at each of its conferences. Only Government/School WGFOA members who have paid their dues are eligible for this scholarship. Business and Student members are not eligible.

To be eligible for the scholarship, the conference attendee must be present at the business meeting when the drawing is made. All eligible conference attendees will get a door prize ticket when they get their name tag.

The attendee with the winning ticket will have 365 days to register for an upcoming conference.

The WGFOA Board Secretary will notify Baird of the winner of the scholarship.

When the winner registers for an upcoming conference, the winner would not pay the registration fee** at the time of registration. The winner will contact Baird when they register for the upcoming conference and Baird will pay the conference registration fee on their behalf.

Failure to attend a conference within the 365-day period will cause the scholarship to lapse.

In the event that the winner is not able to utilize the scholarship within the 365 days, the winner may transfer the scholarship to someone else at that that same organization as long as the transfer goes to a Government/School member that meets the criteria for this scholarship.

**Any pre-conference sessions are specifically excluded.
