

WGFOA Conference Scholarships

WGFOA will offer up to two scholarships for a free registration** to an upcoming WGFOA conference at each of its conferences.

This scholarship is available to any Active WGFOA dues-paying member attending the conference. Honorary or Student members are not eligible.

To be eligible for the scholarship, the conference attendee must be present at the business meeting when the drawing is made. All conference attendees will get a door prize ticket when they get their name tag.

The attendee with the winning ticket will have 365 days to register for an upcoming conference.

The WGFOA Board Secretary will notify UW Green Bay staff of the winner of the scholarship.

The scholarship can be transferred to another employee at the same municipality that has not attended a WGFOA conference within the past three years. The transfer must be approved by the WGFOA President.

When the winner registers for an upcoming conference, the winner would not pay the registration fee** at the time of registration.

Failure to attend a conference within the 365 day period will cause the scholarship to lapse.

**Registration specifically excludes any pre-conference sessions.
